Academic Programs & Activities

Syracuse University Pre-College Program- Environmental & Interior Design July-August 2023

- Participated in a two-week Pre-College Interior Design Program
- Enhanced my skills in sketching, as well as computer-aided design using SketchUp
- Took day trips to the college architecture building in downtown Syracuse and up to Niagara Falls

Carnegie-Mellon University Pre-College Architecture Program June - July 2023

- Participated in a four-week college-level architecture program at Carnegie Mellon
- Enhanced my skills in sketching, model making, and perspective drawing
- Extensive work in computer-aided design using Rhino, Photoshop, and InDesign
- Interacted with the city of Pittsburg, visiting the Carnegie Museum of Art, Warhol Museum, Picklesburg, Strada Architecture, Bohlin Cywinski Jackson Architecture

Rhode Island School of Design Pre-College, Providence, RI June 2022 - August 2022

- College-level classes ranging from architecture to art history. Developed skills with charcoal, paint, and perspective. Furthered my knowledge in drafting and 3D design outside of computer modeling.
- Experienced Providence, The Fire Water Festival, RISD Museum, Memorial Park

The John Locke Institute, Balliol College, Oxford, England July 2021

- Participated in a 2-week intensive scholastic seminar with a focus on political science, economics, philosophy, and game theory, focused lessons, and one-on-one mentoring with world-renowned professors
- Engaged in political debates and open seminars, both in lecture and small group format
- Readings included works by Bryan Caplan, Micheal Huemer, Friedrich Hayek
- One of 10 recipients of the Distinction Award for performance

Auburn University High School Summer Program: Industrial Design Workshop June 2021

- Auburn University's Industrial Design Camp was a week-long residential camp where we started with a design problem and then progressed through idea generation, concept development, and exploratory prototyping.

Teen Socrates Seminars, Aspen Institute, Aspen Campus, CO April 2021 & June 2021

- Participated in Aspen Institute's 2 four-day seminars discussing our values, core beliefs, and perspectives on what makes a good society based on readings by Aristotle, Idries Shah, Richard Rodriguez, Audre Lorde, Henri Nouwen, George Orwell, Bowen H. McCoy, Cristina Peri Rossi, and Joy Harjo.
- The Institute's moderators guided us through intense yet respectful dialogues where we built our understanding of ourselves and our world.

Athletics and Activities 2014 - 2023
 Aspen Valley Ski Club, Aspen, CO 2014 - 2021

- Athlete training in Slalom, Giant Slalom, Super Giant Slalom, and Downhill

Aspen High School Ski Team, Aspen CO 2020 - 2024

- Race Team Competitions in Slalom and Giant Slalom

Aspen High School Tennis Team, Aspen CO 2021 - 2022

- Doubles with weekly coaching and high-altitude endurance cross-training

Experiential Education Courses: 2021- 2022
